

Electro Wipes

Product # 1449

Eliminates static to avoid data loss

Wiping down electronic equipment with these wipes protects them from electricity and prevents dust accumulation.

Pre-moistened with a special formula that neutralizes the effects of static electricity, these wipes prevent the loss of important data stored on computer equipment, as well as damage to other devices including monitors and television screens.

Use On:

- LCD Screens
- Office equipment
- Computer terminals
- Telephone ear and mouth piece
- Keyboards
- Fax machines
- Copiers
- Printers
- Televisions

Effective Against:

- Neutralizes static
- Repels dust

Features and Benefits

- Special formula eliminates static to protect against loss of data
- Significantly reduces dust accumulation
- Can be used on almost any electronic equipment
