

DESCRIPTION

These wipes are a waterless cleaner that cut through tar, grease, wax, ink, paint, lubricants and adhesives.

Extremely versatile, use them for almost every job - from loosening and dissolving tough grime off of tools to wiping up oily spills to cleaning hands.

These aggressive towels are industrial strength but also gentle - fortified with an emollient and natural oils so they won't crack or dry hands, with a light citrus scent. The ideal alternative to soap, water and dry rags. Won't leave a residue.

These wipes are the most powerful and versatile available.

CAUTION

For external use only.

FIRST AID:

IF IN EYES: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes. Obtain medical attention, if irritation persists.

IF ON SKIN: Flush with water. If irritation persists, obtain medical attention.

IF SWALLOWED: Contact physician or poison center immediately. Never give anything by mouth to an unconscious person.

IF INHALED: Remove person to fresh air. See *M.S.D.S.* for complete safety information.

KEEP OUT OF REACH OF CHILDREN

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash.
