

Bio-Flow Ultra

Product # 546

Concentrated grease trap and drain maintainer

This concentrated ultra powerful digestant contains special enzymes that immediately break down starch and complex carbohydrates to energize the bacterial replication of our five distinct bacterial strains. Unlike detergents that simply push grease into sewer lines, these bacterial strains work together to quickly and naturally degrade organic waste. This process not only eliminates greasy accumulations, but also helps eliminate obnoxious odors at the molecular level while a pleasant fragrance keeps traps and plumbing lines smelling fresh.

Grease Trap Maintenance System Is Effective Against

- Odors
- Soap build-up
- Mold and mildew
- Urine and feces
- Organic spills
- Hard water stains

Features and Benefits

- Economical Ultra concentrated formula.
- Extends the time between grease trap pump-outs
- Eliminates obnoxious odors and replaces them with a fresh pleasant fragrance
- Bacteria eliminate the source of malodors by breaking down and digesting organic waste
- Special enzymes rapidly break down starch and complex carbohydrates
- Special composition of bacterial spores can resist chlorine, disinfectants and high water temperatures

Properties

Appearance.....	Blue-Green Liquid
Fragrance	Pleasant
Colony count	950 Million/milliliter
Concentrate	Yes
Environmentally Safe ..	Yes
Non-Corrosive	Yes
Non-Toxic.....	Yes
pH.....	6.0-8.0
Biodegradable	100%
Salmonella free	Yes

Directions: Complete directions on product label

Dilute 1/2 gallons of Bio-Flow Ultra Concentrate with 4 1/2 gallons of water to produce 5 gallons of Bio-Flow.

Use the diluted product as follows:

For sinks and floor drains: 2-6 ounces per week or 4-12 ounces bi-weekly during low flow periods.

Grease Trap Capacity	Daily Dosage	Intervals between 5 Gal pail changes.
100-250 gal	21 oz	30 days
250-500 gal	42 oz	15 days
500-750 gal	64 oz	10 days
750-1000 gal.	86 oz	7 days

Active Ingredients

Water
Bacillus bacteria.....
Sodium Alkyl Ether Sulfate.....

CAS Number

7732-18-5
 No CAS Number
 68585-34-2

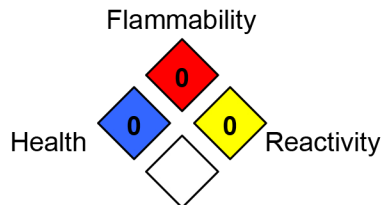

Safety

Caution: May irritate eyes and skin. Keep out of reach of children.
