

# Hydro Power Concentrate

Product # 714

## Multi-Surface Cleaner Powered by Hydrogen Peroxide

Hydro Power Concentrate is a powerful concentrated multi-surface cleaner with hydrogen peroxide to lift away tough stains and soils from virtually any surface. It is specially formulated with a stable form of hydrogen peroxide at a high pH level, so it remains in an active state for a longer period of time than other "oxygen-based" cleaners. The concentrated formula can be diluted at a variety of rates to clean everything from delicate fabrics to hard surfaces.
