

DESCRIPTION

This product is a true breakthrough concentrated cleaner. With a pH of less than 1, this multipurpose cleaner generates the high cleaning power of an acid, yet it is safe and mild to skin like liquid dish soap.

Cleans stains, rust and algae from concrete buildings and walks; removes cement from construction equipment, trucks, pouring forms, structural steel and tools; dissolves hard water build-up, lime, scale and corrosion in boilers, air conditioners and refrigeration units, condensers and circulating systems. A proprietary inhibitor package prevents damage to metals, and detergents and wetting agents enhance cleaning actions. It is non-flammable and biodegradable.

WARNING

Irritant. Harmful if swallowed.

Avoid contact with eyes. Do not take internally.

FIRST AID:

IF IN EYES: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes, holding eyelids open during flushing. Obtain immediate medical attention.

IF ON SKIN: Immediately flush with soap and water. Remove contaminated clothing and launder separately before reuse. If irritation persists, obtain medical attention.

IF SWALLOWED: Do not induce vomiting. Contact physician or poison control center immediately.

IF INHALED: Remove person to fresh air. If breathing has stopped administer artificial respiration. If breathing is difficult, give oxygen and obtain medical attention.

See *M.S.D.S.* for complete safety information.

KEEP OUT OF REACH OF CHILDREN

HANDLING AND STORAGE: Keep container tightly closed when not in use. Avoid excess heat and open flame. Do not store in unmarked containers. Rinse thoroughly with water before recycling container.

TOTAL SOLUTIONS®

INDUSTRIAL CLEANERS
and DEGREASERS

ENVIRO-TERRA HD

Highly Concentrated Safe Acid Replacement

- pH IS LESS THAN 1, BUT SAFE TO USERS
- REMOVES CEMENT FROM EQUIPMENT, FORMS AND TOOLS
- DISSOLVES HARD WATER BUILD-UP
- REMOVES LIMESCALE AND CORROSION
- BIODEGRADABLE, NON-FLAMMABLE

KEEP OUT OF REACH OF CHILDREN WARNING

Irritant. Harmful if swallowed.

DIRECTIONS

This product can be diluted with up to 10 parts of water, depending on the application, the surface and the severity of the soil. Apply product and let stand a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Wipe with cloth, sponge or swab, and rinse thoroughly with clean water. Spot check on an inconspicuous area first.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

NOTE: This product should not be used on marble. Test on an inconspicuous area before using.

This Product Contains/CAS #:

Water/7732-18-5; Organic Salt/506-89-8; Anti-Staining Solution/Proprietary; Surfactant Blend/Proprietary; Xanthan Gum/11138-66-2.
