

# Enviro-Terra HD

Product # 137

## Acid-Replacement Cleaner

Enviro-Terra HD is a true breakthrough concentrated cleaner. With a pH of less than 1, and twice the strength of Enviro-Terra Concentrate, this multipurpose cleaner generates the high cleaning power of an acid, yet it is safe and mild to skin like liquid dish soap.

Cleans stains, rust and algae from concrete buildings and walks; removes cement from construction equipment, trucks, pouring forms, structural steel and tools; dissolves hard water build-up, lime, scale and corrosion in boilers, air conditioners and refrigeration units, condensers and circulating systems. A proprietary inhibitor package prevents damage to metals, and detergents and wetting agents enhance cleaning actions. It is nonflammable and biodegradable. Part of the Enviro-Terra product family.

### Use on:

- Concrete Buildings and Walks
- Boilers
- Trucks
- Trucks
- Pouring Forms
- Air Conditioners
- Refrigeration Units
- Circulating Systems
- Trucks
- Structural Steel
- Condensers

### Effective Against

- Stains
- Rust
- Cement
- Hard Water Build-up
- Lime
- Scale and Corrosion

### Features and Benefits

- pH is less than 1, but safe to users
- Concentrated formula can also be used RTU
- Biodegradable
- Non-flammable

### Properties

Appearance.....	Liquid
Fragrance.....	Mild
Specific gravity.....	1.09
pH.....	< 1.0
VOC content.....	<1.0% by Wt.
Application.....	Spray or foam onto surface

### Directions *Complete directions on product label*

May be used at full strength or diluted with up to 10 parts of water. May be sprayed or used with a foamer. Rinse thoroughly with water.

### Active Ingredients

Water .....	7732-18-5
Organic Acid Salt.....	506-89-8
Anti-Staining Solution .....	Proprietary
Surfactant Blend.....	Proprietary
Xanthan Gum.....	11138-66-2

### CAS Number

### Safety

Warning: Harmful or fatal if swallowed. Keep out of the reach of children

### DOT Shipping (ground transportation)

Proper Shipping Name:	None
Class:	None
ID Number:	None
Packing Group:	None

### NFPA RATINGS

### Quantities

- 30, 35 & 55 gallon
- 5 or 6 gallon
- 6 X 1 gallon
- 4 X 1 gallon
- 12 quarts/case
