

DESCRIPTION

This powerful, high acid cleaner removes even stubborn stains from porcelain, plastic tile, fiberglass, vitreous china and stainless steel. Ideal for use on toilet bowls, urinals, showers, drinking fountains and sinks.

DANGER POISON

MAY BE FATAL IF SWALLOWED. CAUSES SEVERE BURNS. VAPOR HARMFUL.

Do not inhale or swallow. Keep away from skin, eyes and clothing. Wear rubber gloves and eye protection when handling. Use with adequate ventilation. Do not mix with any other chemical.

FIRST AID:

IF IN EYES: Flush eyes and under eyelids with water for at least 15 minutes. Obtain medical attention.

IF ON SKIN: Wash with soap and water. Remove contaminated clothing and laundry before reuse. If irritation is persistent, contact a physician.

IF SWALLOWED: Contact physician or poison control center immediately. Do not induce vomiting. Drink large quantities of water.

IF INHALED: Move person to fresh air. Obtain medical attention.

See M.S.D.S. for complete safety information.

KEEP OUT OF REACH OF CHILDREN

HANDLING AND STORAGE: Keep container tightly closed when not in use. Do not store in unmarked containers. Use plastic containers to mix solutions. Do not store in metal pails, drums or sprayers. Keep away from alkaline materials, metals and metal salts. Rinse empty container before disposal.

DIRECTIONS

TOILET BOWLS: Flush and then force as much water as possible from the bowl by pushing it over the trap with a bowl mop. Apply cleaner with the mop, cleaning the entire inside surface. Flush and rinse bowl with fresh water.

URINALS: First flush and then saturate mop head with cleaner. Clean all surfaces, including the water outlet at the top of the urinal. After all surfaces are clean, remove the urinal bottom screen and pour 2-5 ounces into the trap. Allow to stand for 3-5 minutes, then swab the bottom pipe thoroughly. Replace the screen and flush.

For daily cleaning of wash basins, bath tubs, showers and drinking fountains, dilute with 5 parts water and apply with a soft cloth. Rinse all surfaces completely.
