

## DESCRIPTION

This fast-acting, odorless liquid drain and sewer opener is convenient to handle and ready to use. It opens drains and sewers by dissolving and liquifying fats and oils, lint, hair, paper, food, and other organic matter. Because it is heavier than water, it sinks below the water level to the point of obstruction and immediately starts to penetrate and dissolve the blockage.

## DANGER POISON

May be fatal if swallowed. Causes eye and skin burns. May cause respiratory tract irritation. Do not take internally. Avoid contact with eyes, skin or clothing. Avoid breathing vapor. Use only with adequate ventilation. Wash thoroughly after handling.

### FIRST AID:

**IF SWALLOWED:** Call a physician or poison control center immediately. Do NOT induce vomiting unless directed to do so by medical personnel.

**IF IN EYES:** Flush eyes with water for at least 15 minutes. If irritation is persistent, contact a physician.

**IF ON SKIN:** Immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes.

See *M.S.D.S.* for complete safety information.

**KEEP OUT OF REACH OF CHILDREN**

**HANDLING AND STORAGE:** Keep container tightly closed when not in use. Do not store in unmarked containers. Do not mix with strong acids or other cleaning chemicals. Rinse thoroughly with water before recycling container.

## DIRECTIONS

### FOR SEWER MAINS:

Pour 2-4 gallons into manhole or drain upstream and as close to the obstruction as possible. For best results, use regularly to keep sewer main open and free flowing.

### FOR LATERALS:

Pour 1 gallon of into drain upstream and as close to the obstruction as possible.

### FOR DRAINS:

Pour 1/2-1 quart slowly into the drain. Allow to work for 30 minutes. For difficult obstructions, a second application may be necessary.

Where there is a history of obstructions, the regular use of this product at weekly intervals (or more often if required) will keep the line open and free flowing.

**This Product Contains/CAS Number:** Water/7732-18-5; Sodium Hydroxide/ 1310-73-2; Potassium Hydroxide/1310-58-3.
