

STEAM & PRESSURE WASH CONCENTRATE

Product #405

For all steam cleaners and pressure washers

This powerful alkaline cleaner and degreaser is designed for use with high-temperature steam cleaners and pressure washers to quickly remove grime, oil and grease from metal, concrete and other hard surfaces. It can be diluted for specific cleaning jobs, and will not corrode, scale or damage the heating coils.

Use On:

- Metal
- Busses
- Machinery
- Construction equipment
- Concrete
- Trucks
- Floors
- Farm equipment
- Stone
- Heavy Equipment
- Decks
- Painted Surfaces

Note: Do not use on aluminum

Effective Against

- Grease
- Dirt
- Grime
- Oil

Features and Benefits

- Specifically developed for use with all high-temperature and high-pressure sprayer cleaning systems.
- Alkaline cleaners effectively remove oil, grease and grime.
- Special corrosion inhibitors protect surfaces, especially metal, from damaging rust and scale.
- Varying dilution ratios provide cleaning for light, medium and heavy deposits of soil and dirt.
- Ideal for cleaning and protecting heating coils.

Properties

Appearance.....	Colorless liquid
Fragrance	Slight detergent
Concentrate.....	Yes
Specific gravity.....	1.11
pH.....	13-14
Solubility.....	Soluble in water
Foaming	Low

Directions Complete directions on product label

Adjust the feed rate of steam cleaner to obtain the dilution of 1:20 up to 1:40

Heavy deposits may require more concentrate, and light deposits may require less.

Active Ingredients

Water	7732-18-5
Sodium metasilicate	6834-92-0
Sodium Tripolyphosphate.....	7758-29-4
Sodium Laureth Sulfate.....	9004-82-4
Potassium Hydroxide.....	1310-58-3

CAS Number

Safety

Caution. Harmful if swallowed. Skin and eye irritant. Keep out of the reach of children.
