

FLOOR NEUTRALIZER

Product #

710

Neutralizes detergent and stripper residues

This concentrated liquid solution offers a unique combination of wetting agents and organic pH neutralizers that remove the alkaline residues of detergents, wax strippers and ice-melting products from floors and carpets without harming the finish. It also eliminates the caustic browning of rugs and carpets due to detergent and shampoo residues. The concentrated formula makes it a versatile product for custom applications and it even helps increase the penetrating, adhering and leveling properties of floor finishing products.

Use on:

- Hardwood and vinyl floors
- Metal surfaces
- Rugs and carpets

Effective Against

- Wax Stripping and Scrubbing
- De-Icier Pellets
- Carpet Browning

Features and Benefits

- Designed to remove alkaline residues from detergents, wax strippers or ice-melting compounds.
- Concentrated aqueous solution of wetting agents and mild organic pH neutralizers.
- Also eliminates the caustic browning of rugs and carpeting caused by detergent and shampoo residues.

Properties

Appearance.....	Colorless liquid
Fragrance.....	Cherry
