

DESCRIPTION

This non-chlorinated degreaser removes oils, grease, grime, and other oil-based contaminants from metal parts and surfaces including machinery, power tools, farm equipment, cutting tools and construction equipment.

CAUTIONS: Prolonged or repeated contact can result in defatting and drying of the skin. Intentional misuse by concentrating and inhaling the product can be harmful or fatal. Prolonged inhalation may be harmful. Do not get this material in contact with eyes or skin. Keep away from heat, sparks, and flames. Do not puncture, incinerate or crush. Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid prolonged exposure to sunlight. Use with adequate ventilation.

FIRST AID:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if irritation develops and persists.

SKIN: Wash off with warm water and soap. Get medical attention if irritation develops or persists.

INHALATION: Move to fresh air. For breathing difficulties, oxygen may be necessary. Call a physician if symptoms develop or persist.

INGESTION: In the unlikely event of swallowing contact a physician or poison control center. Do not induce vomiting without advice from poison control center. Do not use mouth-to-mouth method if victim ingested the substance. If vomiting occurs, keep head low so that stomach content doesn't get into the lungs.

KEEP OUT OF REACH OF CHILDREN
