

DESCRIPTION

This powerful solvent degreaser is the next-generation alternative to non-VOC compliant citrus-based products. The VOC-compliant formula removes heavy greases and oils, without damaging surfaces, while leaving a fresh citrus scent.

It cleans motor oil, adhesives, clean and dirty greases, tar, asphalt, and marker from concrete, stone, brick, masonry, metal and many plastics. Ideal for parts washers, the emulsifiable formula ensures fast penetration of deposits - simply flush with water to wash away emulsified dirt and grease.

Helps to prepare concrete floors for finishing, and even removes rubber carpet backing and adhesives without the harmful fumes of chlorinated solvent cleaners.

CAUTION – FLAMMABLE LIQUID AND VAPOR

May be harmful if swallowed. May cause eye and skin irritation. Keep away from heat and flame. Do not take internally. Avoid contact with eyes, skin and clothing. Wash thoroughly after handling.

FIRST AID:

IF SWALLOWED: DO NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Contact a physician or poison control center immediately.

IF IN EYES: Flush eyes with water for at least 15 minutes. If irritation is persistent, contact a physician.

IF ON SKIN: Wash skin with soap and water. Remove all contaminated clothing and launder separately before reuse. If irritation is persistent, contact a physician.

IF INHALED: Move person to fresh air. If irritation is persistent, contact a physician. See MSDS for complete safety information.
