

Non-ammoniated wax stripping concentrate

This liquid stripper offers fast and effortless removal of acrylic and synthetic floor finishes and wax finishes. Its non-ammoniated and low-odor formula is ideal for use in health care and food preparation facilities where quick turnaround time is essential. It's strong enough to remove several layers of finish, yet versatile enough that it can be applied by a mop or by an automatic scrubbing machine.

Use on Finished Floors:

- Tile
- Vinyl
- Linoleum
- Hardwood
- Marble
- Stone
- Bamboo
- Ceramic
- Terrazzo

Features and Benefits

- Residue is easily removed by a string mop or vacuum.
- Strong enough to penetrate several layers of finish.
- Can be applied by mop or automatic floor scrubbing machine.
