

HYGIEN SANITIZING GEL

Product # 270

Germ-killing gel liquid

This waterless sanitizing gel provides effective cleansing in only one step. It's the perfect alternative to hand washing when soap and water is not readily available. It kills 99.9% of the germs and bacteria commonly associated with disease and infection within seconds after application and also prevents cross-contamination. The powerful germ-killing formula is enhanced with aloe to soothe and moisturize the skin.

Features and Benefits

- Eliminates 99.9% of germs and bacteria from the skin in seconds.
- Sanitizes and conditions in one step.
- Waterless formula eliminates the need to rinse or use towels.
- Gallon containers may be used to fill the Refillable Wall Mount Dispenser (product #9126).
- 1,000 mL plastic bags fit inside the *Hygienic Hands Soap Dispenser* (product #9141).
