

Water-based stain and soil repellent

This ready-to-use liquid anti-soil and anti-static treatment is designed for use on carpets, drapery and upholstery. It retards soil accumulation and prevents stains from permanently setting into fibers. It is safe to use on all fabric types and construction, and helps them retain their appearance for a longer period of time.

Use On:

- Upholstery
- Drapery
- Fabric
- Rugs and carpets

Features and Benefits

- Protects rugs, carpets and upholstery with a clear, soil and stain resistant layer.
- Treated surfaces stay cleaner longer, have reduced static and are easier to clean.
- Safe for use indoors.
