

Diesel Clean

Product # 657

Cetane-improving diesel additive

This liquid additive is specially formulated to provide cetane enhancement in both high and low sulfur diesel fuels. When added into fuel, it offers better detergency to provide easier starts, faster warm-ups and less engine noise due to increased engine efficiency and power. It also provides increased lubricity protection against sludge formation and reduces the engine's exhaust and emissions.

Features and Benefits

- Increases the cetane number for easier starts and less engine noise.
- Improves fuel economy, reduces exhaust smoke, and emissions.
- Provides fuel detergency, reducing deposit build up which increases engine power and extend engine life.

Properties

Appearance.....	Gold Liquid
Fragrance.....	Solvent
Concentrate.....	Yes
Specific gravity.....	0.87
Flash point.....	108° F
Solubility.....	Insoluble in water

Directions Complete directions on product label

Add 1 pint to 25 gallons of diesel fuel or 1 gallon to 200 gallons of diesel fuel.

Active Ingredients

Light aromatic solvent naphtha.....
1,2,4-Trimethylbenzene.....
2-Ethylhexylnitrate.....
Heavy aromatic naphtha.....
Xylenes.....

CAS Number

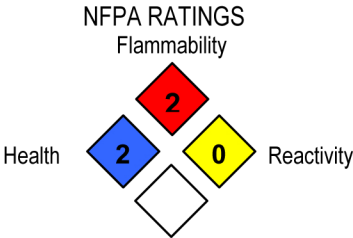

64742-95-6
95-63-6
27247-96-7
64742-94-5
1330-20-7

Safety

Caution: Combustible. May be harmful or fatal if swallowed. Eye and skin irritant. Keep out of the reach of children.

DOT Shipping (ground transportation)

Proper Shipping Name:	None
Class:	None
ID Number:	None
